Dealing with complaints	<ul style="list-style-type: none"> Our preschool implements the NSW Department of Education's Complaints Handling policy. Complaints are dealt with in an open, respectful and confidential manner. Initially, the preschool teacher will seek to address and resolve complaints respectfully and informally, as soon as possible. If a complaint cannot be resolved by the teacher, is a serious complaint or related to child protection, it will be referred to the principal immediately. If an SLSO or AEO receive a complaint, they then direct the complaint to the preschool teacher. If the complaint is regarding actions of the preschool teacher, this complaint is directed straight to the principal. Details of any complaints made are documented. The principal records all complaints given to them in her diary. The way in which the complaint is dealt with, varies according to the nature and severity of the complaint. The principal uses their own professional judgement to effectively manage and deal with complaints ethically. Families are informed if their complaint has led to improvements or changes in preschool operations within 30 days.

Notification of a serious complaint	<p>If a formal complaint is made alleging that the Law has been contravened, a child's wellbeing has been compromised or that a serious incident has occurred or is occurring, notification must be made to Early Learning (phone 1300 083 698) within 24 hours of the complaint being received.</p>
