Dear parents and carers,

Due to changes in weather conditions throughout the year, at times we notice biting insects at Little Jarjums Preschool.

To ensure we keep your child safe we would like your permission to apply 'MooGoo Natural Tail Swat Body Spray'.

This is a lightweight cream that deters bites. This light spray made of natural ingredients is not an insect repellent, but rather it changes your scent to something that biting insects do not like.

Please return the permission note as soon as possible.

Mrs Amy Clark  
Preschool Teacher.
