**Children's Book Week**

**Wednesday 24-26 August**  
**Book Fair**

**Thursday 25 August**  
**Children's Book Week Parade**

## Sports Carnival Fun !!!

Our Jarjums had a fantastic day at the Casino West Sports Carnival on Friday. They had the opportunity to join in on the running races at "big school". Back at preschool, educators set up various tabloid activities for children to engage in. It was so great to see them all having a go!!!!

QA6 Collaborative partnerships with families and communities Concept 6.1.3

# Practising our 'big school skills'

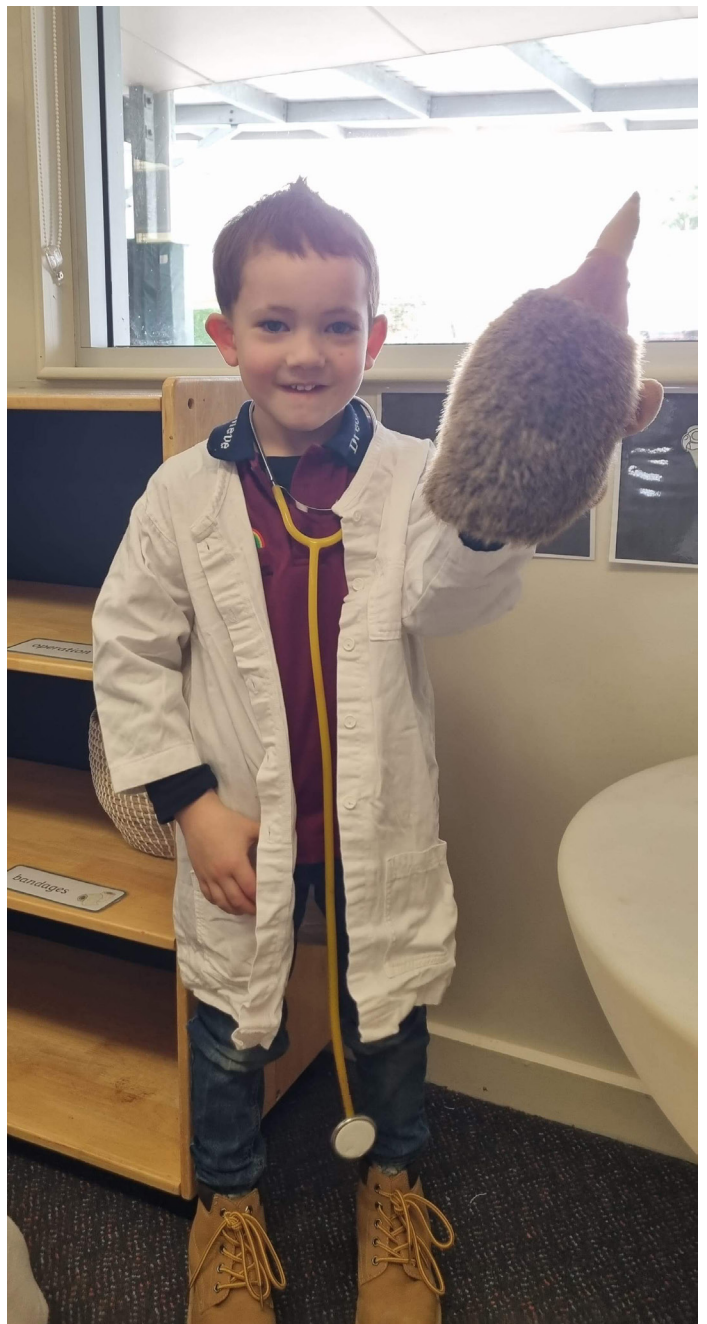

At preschool, our Jarjums have countless opportunities to strengthen their motor skills through everyday and planned experiences. Last Friday the Occupational Therapist University Students who have been completing their practicum at Casino West, came to preschool to run some pre schooling skills activities. The children spent time in rotational groups focusing on, pre-writing, fine motor and gross motor skills. The children did well maintaining concentration and following expectations in a highly structured learning experience.

# Future Veterinarians

In response to the children's interest in role playing looking after sick animals, educators have transformed our dramatic play area into a vet clinic. The Jarjums have been engaging in role play caring for the sick animals, checking up on their animal patients and performing various types of surgeries.

## We need your help!!!

We are in need of 2L soft drink bottles and old gumboots to use on our sustainability vertical garden wall we are creating in our outdoor learning environment. If you have any of these items you are willing to donate, we would be extremely appreciative.
