The Wildlife Twins Reptile Show!

What a wonderful time we had on our excursion to Casino Public School Djanenjam Preschool to see the Wildlife Twins Reptile Show. The excursion started off with the excitement of riding in the "big bus". The kind bus driver drove the children through town, and it was like they had never seen Casino before, seeing it from so high up was a new and exciting experience. Once we arrived at the Casino Public School bus bay, we made our way down to the preschool, the Djanenjam Jarjums eagerly awaiting our arrival.

The reptile show kicked off at 10am. We sat out in the beautiful sun, listened, and learnt together about the different reptiles The Wildlife Twins had brought to share with us including the Blue tongue, shingle back, bearded dragon, woma python, carpet python, black headed pythons and Lace monitor. The Jarjums were then given the opportunity to pat a snake and lace monitor, noticing that their skin felt scaly and rough.
