## The Wildlife Twins Reptile Show!

What a wonderful time we had on our incursion on Thursday, hosting Casino Public School Djanenjam Preschool at our preschool to watch the Wildlife Twins Reptile Show.

The reptile show kicked off at 10:00am. We all sat together outside, listened, and learnt together about the different reptiles the Wildlife Twins had brought to share with us, including the shingle back, frilled neck lizard, woma python, carpet python, black headed python and lace monitor. The Jarjums were then given the opportunity to pat a snake, lace monitor and frilled neck lizard, noticing that their skin felt scaly and rough.

After the show we got the opportunity to eat and play with the Jarjums from Djanenjam Preschool before they headed back on their bus to the other side of town. We enjoyed showing our new friends our preschool learning environment, building connections and experiencing something we had not done before.
