On Monday 26 June we celebrated NAIDOC day at Casino West Public School. The Aboriginal and Torres Strait Islander Cultures are such a big part of Casino West in our everyday interactions and school culture. NAIDOC Day is an extra special day where we get to celebrate with community and dedicate our day to strengthening our knowledge and connection to community, culture and tradition. The children were engaged in many activities throughout the day including, tasting bush tucker, making clay pinch pots, Aboriginal artwork and learning some traditional games.

Juice Bar

Last week Thomas brought along his toy blender to preschool. The children were eager to have a go and this experience quickly turned into a brainstorming activity about what we could make using a real blender. The children came up with many ideas relating to various fruits we could use in juices and smoothies. To support this interest, the following day Mrs Clark provided the children with a variety of fruits to make their own smoothies using a real blender. The children each got to select what fruit they wanted in their smoothies and with support from educators, they added ingredients to the blender and enjoyed a fresh fruit smoothy.

Our Bodies

This term following an interest of Marcus', the Burbi group has been learning about "Our Bodies". Engaging in various learning experiences looking at different parts of the body including, organs, muscles and bones.

Silkworms

The Gurrahman Group's interest in silkworms has continued throughout the term. The children have researched many facts about silkworms and have been engaging in various hands on learning experiences to extend and explore on their research further.
