# Lest We Forget

We have spent the beginning of our term learning about ANZAC day and building understanding about what ANZAC day represents, and exploring some of Australia's history through books, photos, videos, and discussions. We have engaged in experiences making ANZAC biscuits and craft peg soldiers. Thank you to those wonderful children and families who joined us for the march on ANZAC day.

# Green Thumbs

Responding to the children's interests in growing plants and exploring how plants go from a seed to a plant, we are building our very own greenhouses. The children have planted some pea seeds in their green house to visualise how they grow. The greenhouses will be placed on the window for light and be watered by the children regularly, in the hope that the seed will grow into a plant.
