Celebrating Family !!!

Huge thankyou to our wonderful families for coming along to our Mother's Day Picnic and Morning Tea. We absolutely love hosting events where our families can come together, and we have the opportunity to connect and build relationships as a community.

Math whizz'

Some of the children in our Burbi Group have shown a strong interest in maths concepts this term. Their spontaneous interests have been focused on adding numbers of blocks together, measuring heights of blocks and counting using one to one correspondence.

Ice-cream Ice-cream!!!

The children have been creating their own ice-cream shop in the sandpit. Their shop sells different flavours of ice-cream and thickshakes. To foster this interest, educators and children will be transforming our dramatic play area into an ice-cream shop where the children can follow and extend on this interest further.

For Our Elders, Bobbi Lockyer

Where there is knowledge there are our Elders. Our Elders paved the pathways for us, taught us our knowledge, our history, they passed down their art, stories and wisdom. Our Elders are the foundation of our communities and role models for our children. With this poster I wanted to showcase how important our Elders are in passing down traditions and culture to our children and future.

Merchandise Order Form

Dear Parents,

Life Ed is a not for profit organisation that relies on the support of the community to assist us in reaching our fundraising goals. Every Healthy Harold product purchased helps us visit more children in NSW and ACT.

The sale of Harold merchandise to the children whilst the program is visiting each school supports our overall fundraising activities and helps cover the gap between the cost of delivery and what parents and schools pay for our program. These products help to remind children about the messages delivered to them during their Life Ed session and have either a picture of Harold or the Life Ed logo on them.

The educator will provide the opportunity for children to purchase these products during the school visit. Please DO NOT make online payments to your school. Please provide the correct money in an envelope with the item written on the face of the envelope along with your child's name and class. This allows the educator to process orders efficiently and accurately. Orders will be returned by the conclusion of the visit. You can also check out our NEW clothing apparel product range online by visiting www.life-education-australia.myshopify.com/
