Good Sports!!!

This term our jarjums participated in the Casino West sports carnival. The children ran a 50-metre race, and all received a ribbon for their wonderful enthusiasm and energy. We love our preschool children getting involved in whole school events, it gives them a sense of 'belonging' at Casino West Public School and provides them the opportunity to feel safe, secure and celebrated in the whole school community environment.

Science Week!

Our jarjums have been working hard at home and at preschool to be creative and design and build their own robots to enter the Casino West Science Fair for Science Week this week. We love seeing how creative each robot design is. This coincides with the children's strong interest in robots at preschool and has been a wonderful extension of this interest.

We are designers.....

As an extension of the children's interest in dance, they asked to make their own dresses. Miss Astoria worked with Eleanor, Georgia and Xahli in designing their dress, choosing their material, cutting out their pattern, and sewing their dress using a sewing machine. The girls were so engaged throughout the whole process and were extremely proud of their efforts.

Did you know?

Kids who eat a healthy breakfast are more likely to perform well at school

Eating a healthy breakfast is one of the best ways your child can get enough energy to concentrate, learn and play!

Try these breakfast tips with your child:

- Encourage them to wake up with enough time to have breakfast every day.
- Aim to include some grains (cereal or toast), colour (fruit / vegetables) and protein (dairy, eggs or nuts).
- Help your child get enough exercise and sleep.
- Pick some convenient and healthy breakfast options that your child enjoys.
