Week 5 – Term 4

Principal's Report

Thanks to all those who came along to the garage sale on Sunday. Special thanks to our P&C for their organisation and to Mr Campbell for his work on the day. I must also thank Mr Noel York who put so much work into the organisation of this event and made sure it ran smoothly. Thankyou Noel.

Don't forget homework centre Wednesday afternoon, starts at 3:30pm and finishes 5pm. Mrs Newton has provided a fantastic service in the homework centre and it has been great to see so many students coming along.

You may have noticed the new logo around the school. Make sure you have a look at the big colour logo going up out the front. It really looks like a work of art.

We are looking to develop the school playground, just as we did the preschool. As it will be a much bigger area the playground will be developed over a longer time. We want to develop an area that is going to facilitate sport, play and learning, and we would like the community to have a think about the things they would like to see in the playground. In the following weeks we will send around a survey, do please have a talk to your family and let us know what you would like to see included.

This Friday we are celebrating National Others Day and we have a few little surprises for the kids. With kids around the world experiencing a life not as secure as ours, it will be a great thing to have a thought about others, and maybe one day, when they grow, do something to help others.

Once again I would like to ask parents to listen to your kids read every day. If you show you are interested, they become interested.

Bye for now
Mr Taylor

A Message From The AEO

Thank you to everyone who attended our Yarn Up today. It was a great morning. Regards Aunty Sue.

Day For Daniel

On Friday 31st October, students and teachers came dressed in RED to support and raise awareness of personal safety for children and Keeping Kids Safe including victims of abuse and missing persons.

Giant Garage Sale

Sunday the P&C held a giant garage sale in the grounds of the school. We had a great day despite the small numbers of shoppers. The donations at the gate and the fees for stall holders netted the P&C around \$516.00 which was a great result. We would like to thank all our great P&C members and the few parents who volunteered to help on the day. Their support was greatly appreciated. *Regards Noel York, P&C President.*
