SRC Induction 9:45am

Our little Jarjums have had a lot of fun in their first week of preschool.

We have been learning about the preschool routine and what are good and bad choices to make at preschool. The children have also enjoyed exploring our outdoor learning environment.

We have had lots of fun this week with loose parts play in the sandpit as well as riding bikes and cooking in the cubby house.

Dream, Believe, Achieve.

We need a pool. It has been very hot this week and the sun is very strong. Please ensure your child remembers to take a broad brimmed hat to school. Any broad brimmed hat will do.

We have had to rearrange classes, particularly in the K-2 part of the school as our kinder numbers are bigger than expected. Thank you for your understanding in this matter. There may be a few more changes to be made but the numbers seem to be settling.

The classes have been engaging with their work very well. It has been great walking around and seeing the kids so hard at work.

We have started with our “Casino Way” program and this week we are focusing on the value of courage. We are linking this to our school expectation, “be Responsible”. We encourage the students to have the courage to take responsibility for themselves and to take on responsibility for others who need help.

A big apology to K/1M. Last week was not such a problem with the milder weather. But this week has been hot and their air conditioner decided to call it a day over the holidays. A new one is on the way, but for the time being they have been visiting other classes to cool down when the room is too hot. That’s all for now, hope to catch you all soon.
Mr Michael Taylor, Principal.
