SRC Planning Day Windarra

Wednesday 28 February
Zone Swimming

Friday 2 March
Year 3 - 6 Swimming

Avid home readers, Ebony and Lauren exchanging their daily texts

Shakyianah, Rihanna and Tiffany completing their Geography lesson on Australia

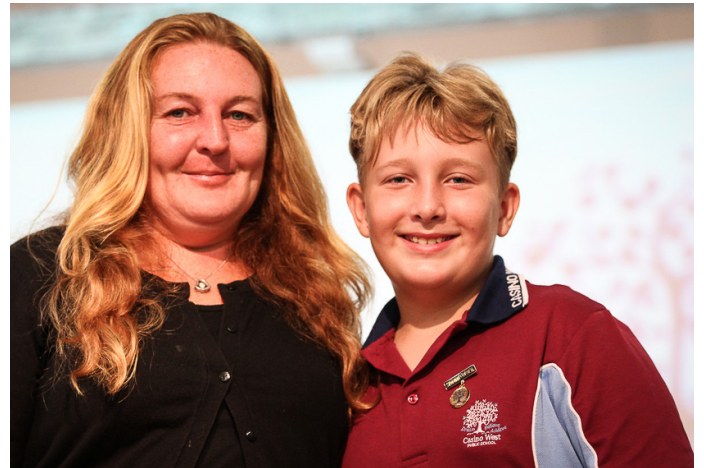

We have ordered our new playground equipment and it will be a great addition to the playground. To start we have four different climbing frames. These can be used individually, or can be linked as part of an obstacle course. Exciting stuff.

That's all for this week everyone, see you soon.

Mr Michael Taylor Principal.

It has been so hot that I am considering moving into the school office block these last few days. We have closed the playground a few times due to heat. The students have been great and know when to stay in the shade.

The work going on in the classrooms has been really fantastic. I walk into classrooms every day and without exception the kids are working well, and working at their appropriate levels. The cooler climate of the classroom helps the kids recover.

I am at the airport as I write this. I am attending a preschool principal's conference in Sydney. Our preschool still has some positions available for kids who are turning 4 this year. If you know someone with a child in this age range, please let them know of the vacancies.

Our value this week is CHALLENGE. We will be talking to our students about challenging themselves to show responsible, respectful behaviour and to challenge themselves with their school work.

Mrs Horne is starting homework centre this week. Homework centre starts at 3:30pm and parents pick their kids up at 5pm. Please consider sending your children to this facility.

SRC Shout out

We have only introduced the recycled bottles in each classroom this week. If you have any bottles with the barcodes still attached please bring them into your child's classroom and the SRC will be collecting them for the recycling machine to raise money for the school. These will be collected each Thursday.

SRC planning day at Windara today was very productive and we look forward to sharing more with you very soon.

The garden beds in between the hall and 5/6 classrooms with have beautiful vegies, herbs and flowers planted during the week. The SRC and students from a variety of classes will be monitoring these plants and looking after them ready to be used.

Primary Assembly Awards 2018 Week 4 Term 1 Host Class: 3/4S

P&C News The P&C Annual General Meeting (AGM) will be held on Tuesday 13 March at 6.00pm in the library. At this meeting all positions will become vacant. The positions are President, Vice President, Treasurer and Secretary.

Tickets have now been sent home for our our annual Easter Egg Raffle. This will be drawn at the Easter Hat Parade on Thursday 29 March 2018. We encourage parents and carers to donate easter eggs. All funds raised are donated to the school.

Please also be aware that all outstanding Canteen accounts need to be finalised by Week 8 Term 1. Please contact the canteen if you need to discuss this further.
Regards Megan Keogh.
