In KM  
We never give up  
We have a go

In KM we have been busy learning how to write in a variety of ways. We have been writing on whiteboards, chalkboards, paper and even in the air. We have also been making letters and words with play dough and in the glow draw app on the iPads.

It has been an exciting and rewarding beginning for KM.

**Hello to everyone. Aunty Sue has organised a Yarn Up for today.**

I look forward to meeting those who will be attending. Let me thank you in advance for supporting our school and joining us.

**The value we will be studying this week will be HONOUR.** This is a very important value when trying to build our kids capacity to show respect in all situations. They will be encouraged to honour themselves by doing their best and being their own boss. They will be talking about honouring their school by always following school expectations and they will be discussing the honouring of their parents and carers by helping around the house and always showing respect.

**I have been walking around classes a great deal over the last few weeks and would like to thank the kids for putting so much into their work.** Every class seems to be doing their very best. The students are working very well for our casual teachers too, well done kids.

**Ms Ewart is completing a business managers course today and was studying this yesterday.**

**We have had many children joining us in visiting the Cedars Aged Care facility.** We can only take the first 22 kids who arrive on Friday and unfortunately a few miss out. We will try to include them in following weeks. The kids have been great, and get along so well with the residents. That honours yourself and the school kids, well done.

With Regards Mr Michael Taylor.

**Team work shines at Carlill Cup**

On Friday 16 March our team of students who were selected to represent Casino West P.S attended the annual Carlill Cup Swimming Carnival. This is a friendly swim meet with Casino Public and Kyogle Public Schools. The team included: Alex F, Jake S, Jurriaan A, Riley C, Bodhi B, Ebony P, Melaya W, Jaylarni V, Brea T, Maddison K, Ciara C, Taylah P, Chloe M, Dimity T, Taylah S, Pay dan R and Emmaleigh K. The overall winner of the Cup went to Kyogle P.S. We were extremely proud of the effort and behaviour of all students. The strong teamwork, encouragement and pure try was great to see. Well done Casino West!

Mrs Margie Savins.

**Our Yarn-Up** this morning was enjoyed by all with many parents and carers attending. We greatly value the input received and look forward to our next gathering.  
Kind Regards Aunty Sue.

## Thank you for your support

Dear parents and carers

Canteen staff and volunteers are not able to cook two minute noodles for children. Please ensure you discuss with your child to avoid the possibility of disappointment. Healthy canteens and OH&S requirements ensure we all work together to keep our children safe and healthy. Thank you for your support and understanding  
Tnaya Davis.

## Welcome to our P&C Committee

The Annual General Meeting (AGM) was held on 13 March with all positions vacant. The positions are now filled. Congratulations to all.

## SRC Shout out

**The SRC students endured a very challenging and hardworking day planning for the year leading at Casino West at Windara in Week 2 this Term.** The children covered such issues such as their very important roles and responsibilities as leaders of the school, fundraising, socials and the folding of the flags. A big thank you to Shannon who came in and showed us the right way to fold our flags and Miss Johnston and Auntie Sue for a wonderful day of work and play.

**The SRC students have made a huge impact in the playground.** If any students want to play soccer in 3-6 or play with the parachute K-2 in the playground on Monday's and Thursday's, bring your hats and a bottle of water after eating lunch and join the fun at Casino West. **BOTTLES, BOTTLES & MORE BOTTLES** are still being collected for fundraising. A big thank you to all so far...
