Beef Week

KS are given lots of opportunities to develop their critical, creative and collaborative thinking skills.

Here are some moments captured making our Mother's Day gifts; coding the 'Gerry Mice' to move correctly through the set maze; and, problem solving how to balance the King with 2 straws, tape, scissors and 2 paperclips.

I am so proud of the way KS children are learning to persevere with their challenges. Engagement and enjoyment is always high. Well Done KS – You're the best!!

It's one of our big weeks once again. This time it's **BEEF WEEK.**

Friday is our Beef Week Day and we invite everyone to join us for a day of fun. The theme is "Our Farmers", so get out your hats, jeans, boots and your flanneys. Come along dressed up and join in. We are also hoping you can join us and get your kids along to the march. Mrs Keogh has organised a fenced semi-trailer for the school so it will be much safer for the kids as we join the parade. Thanks so much Mrs Keogh, who has also put a lot of work into our costumes. The window display, also organised by Mrs Keogh can be seen at the NAB bank.

The school has a new welcome sign. Uncle Charlie Caldwell painted the sign which has our local Totem, the platypus, surrounded by a variety of learning circles. The words Jinggee Wala mean Welcome and the words Nullinggah Wandurrin mean our Learning place. Thanks Uncle Charlie.

We will be encouraging the students to CHALLENGE themselves this week. We encourage them to try that little bit harder, try things that are just beyond their present level of understanding, and to be strong in following school expectations.

The classes have been very engaged in their learning. It is great to walk around and see all the students working in their groups and being able to explain what they are doing and why they are doing it. Our little kinders are now able to tell me what they are doing too! Great work kids.

Good luck to our netballers and footballers who are heading off to play their games against other schools this week. The netballers have been practicing heavily for the past weeks and the boys are playing footy every day (touch). Great to see. Looking forward to seeing everyone at Beef week. Regards Mr Michael Taylor Principal.

Our school has recently purchased wonderful new reading books for our students. Currently they are being put on the Library system and being bagged up. HOWEVER.....we would really appreciate your help. If you are able to spend a bit of time coming into the school library to help us cover the books, could you please leave your name and phone number at the school office as soon as possible.
