## 5/6K Up Up and away

Hello to parents and caregivers. 5/6K have been busy. Along with our usual literacy and numeracy routines, we are currently enjoying the science subject "Up Up and away".

This is where students are investigating properties of "air" through research and are interpreting findings from experiments and looking at ways we use air in our lives.

Students have also been involved in and putting a great effort into our class fitness program where we are looking at the importance and benefits of exercise and physical well being. Mr Rod Kilby.

## Thanks to everyone who came along to our Beef Week celebrations.

I was not able to attend but everyone tells me it was a fantastic day. Thanks so much to Mrs Wilder for her fantastic work in organising this event.

**Thanks also to Mrs Keogh.** The truck you organised made our parade so much safer. It was a great event. The kids had to wait a long time before we went down the street but eventually we had our turn. Mrs Keogh also made all the props for our float. Thanks so much Megan.

**Our Stage three students are off to Colley Park to enjoy an event this Thursday.** The event will be run by Solid Mob and will focus on healthy choices and gives a strong anti smoking message.

**The students are focussing on being PRESENT over the next week.** Really listening to people, giving full attention in class and showing that they are for their friends. We hope you can support them by discussing the importance of being present at home.

**Homework Centre will not be on this week as we need the venue for training.** Please accept our apologies for this.

**Please remember to ask your kids what they learnt at school every day.** Don't accept "nothing", as it is very important that kids recall what they do in school.

**The new equipment is getting a real work out in the playground.** The SRC has chosen the next four pieces of equipment, so more is coming. All the best to everyone. Mr Michael Taylor Principal.

## SRC Shout out

The SRC have been extremely busy with fund-raising this term. Thank you for your support. This week students are getting ready to plant beans and sweet potatoes in the raised garden beds near the bus bay. We can not wait to see these vegetables flourish!

This Thursday there will be a fund-raiser for a family who recently had a house fire which destroyed their house contents.

Please support our SRC on Thursday by purchasing a Neopolitan ice-cream cup for \$1.00. We look forward to sharing more news in next weeks shout out!

## Beef Week Art Winners

## A message from Aunty Sue Reconciliation Week:

This week kicks off National reconciliation week and the theme for this year is 'Don't keep history a mystery'. We celebrated today by hosting a Reconciliation Yarn-up morning tea. Thank you to those parents/carers & community members for your support as we greatly appreciate it.

Our infant students have been very busy working on an artwork competition while our Primary students have been busy taking part in a poetry competition. The winners of these competitions will be displayed in our front foyer.
