First day of term

**Have a wonderful break everyone
stay safe and see you in 2 weeks!**

**A great ending to the term
for 3/4T we have been so
busy with our learning in the
class room.**

**In Math we have learnt all about
fractions, graphing, shapes and to
end the week we are doing the cup
challenge which also helps with our
math skills, team building, decision
making, weight and much more.**

**Throughout the term we enjoyed
book parade, held a great cake stall
for our farmers, colour fun run and
have extended our sporting skills in
basketball, netball, softball, touch
football and volleyball. Have a wonderful
break and see you all in term 4.**

With vacations just around the corner, I would like to wish everyone a happy and safe holiday.

Make sure you are careful around roads kids. Be sure to wear your helmets if riding or scootering and make sure your brakes are working. Remember to always look both ways, right, left and right again when crossing the road.

And...try not to spend too much time playing games on devices. Get out and kick a ball around the back yard or down the park, build a cubby in your back yard or meet up with your friends. Make sure your adults always know where you are.

One last thing, remember stranger danger.

Mum and dad will talk to you about that I am sure, but remember, you don't go with anyone you don't know or don't usually walk or drive with.

And...if you do build a cubby, bring in a photo when we return to school. We would love to see it.

Thanks for working so well this term kids.

Next term will be a busy one too. We are looking at new play equipment coming, the finals of Casino West's got talent and all the big presentations and celebrations.

Have a great time kids. Hope to see you all back and ready to learn next term. Regards Mr Taylor, Principal.

WORD UP!

Bundjalung word of the week.
