## Happenings this week

I would like to thank the AMS who have been conducting dental checks in our school. They will be back on Thursday to continue this work. Thanks also to Auntie Sue for arranging this.

**Our Father's Day Sausage Sizzle is on tomorrow Wednesday at 11am.** We look forward to sharing a sausage or two with all of our dads, grandads and other family and friends.

**Congratulations to our kids who participated in the zone carnival last week.** The next port of call for many of you will be the regional carnival, which this year will be held in Lismore.

**Our value this week as part of the "Casino Way" program is PRESENCE.** We are teaching our students to listen intently, to really try and understand what is being said and to seek clarification when unsure of what they hear. We also encourage the kids to listen to each other and to listen at home. The classes have been very settled and working beautifully as I walk around the school. Thanks kids for your effort and thanks teachers for the great work you do.

**Going paperless for the newsletters has been working very well. Newsletters and school information can be sourced from Skoolbag app, school website, the school sign and facebook.**

**The Department of Education has also updated all school websites.** These are more user friendly with more additions coming soon. The school will also be updating school information regularly. If you have any suggestions for our new site, please let us know. That is all for this week. Hope to see you all tomorrow.

**We have had some cases of impetigo (school sores) at school.** The infection is characterised by inflamed blisters that pop, weep and form crusts.

Treatment options include antibiotic cream, ointment, antibiotic syrup or tablets.

A child with impetigo should be kept home from school or day care until appropriate treatment has begun and the sores on exposed areas are covered with a waterproof dressing and where necessary a crepe bandage.

## Canteen friendly reminder.

**Thank you to all families who have paid their outstanding accounts.**

Please call in and see us at the canteen to make an affordable payment arrangement if you still have a balance owing. Many thanks Canteen Committee.

## WORD UP!

**Bundjalung word of the week.**

## Get ready for the Colour Fun Run!

Colour Fun Run is up and running and will be held on Friday 21 September 2018.

Students were issued with their sponsorship forms last week. There is no online registering with this fundraiser.

**We encourage students to bring a white shirt on the day.**

Parents and carers are most welcome to get involved on the day and we would love to see you there.

On the day we will have some masks available to wear if you have concerns about any type of reaction.

The colour fun run will be a whole load of fun for all involved and participants will run only a short distance.

## A treasure trove of adventure

Thank you everyone for your great support of Children's Book Week.

The parade was colourful and entertaining with many fantastic costumes.

The meal deal from the canteen was very popular, with 75 students enjoying a pirate's lunch.

The Book Fair was hugely successful.

Your support means we are able to buy \$630.00 worth of new books for the library. Well done!!

Ms Gibson and Mrs Deegan.

## SRC Shout out

SRC are busily getting more gardens up and running. We can't wait to see what they look like during the spring months .

The ongoing positive response to view school news electronically is fantastic!

Our recent survey confirmed to us that most parents and carers are happy to receive the newsletter electronically which reduces our paper consumption considerably.

From Term 3 we will be printing the newsletter once every fortnight and then at the commencement of Term 4 the paper version will cease.

Please contact us if the paper version is more preferable to you.

Many thanks Casino West Administration Team.
