Cedars Breakfast

Primary Sport - Swimming

Mary Anne Swift Performance

Saturday 30 November 2019

Lions Club Carols by Candlelight, Colley Park from 5.30pm

Remember to return your permission slips and payments as soon as possible!

During the past week 1/2S have worked hard on facing our own personal challenges. We have learnt that a challenge is something we need to spend time on to get better at. Some challenges we have worked on include logging onto Chrome books independently and quickly, problem solving in STEAM activities and social skills at school and home. Miss Val Smith.

We have the new gate system in place as of yesterday and it was a far safer situation as we did not have kids running around before school starts.

Thanks so much to our parents for making sure your kids wait until the right time to come to school.

Our new playground is turning out to be a real hit with the kids. The spinners still have a line up waiting to have a go and the kids are getting better at coping with the dizziness. We should be able to let them on unsupervised soon...we hope.

We have also purchased a number of outdoor games that the SRC are going to introduce into the playground. These include boules, wood pins, quoits, grip balls, tennis racquets and balls and giant soccer. I can't wait to see them playing with these games. The student's behaviour has been fantastic over the last term. They really are showing respect in the playground and in the classroom at all times. Their dedication to learning is also very noticeable. We are lucky to have such a great bunch of kids.

Presentation day is coming up on Thursday 12 December. Hope to see you all on this day. It should be a great day.

Our year 6 will be having there farewell on the 4th of December and once again it will be at the Casino RSM.

Please remember to sign permission notes for the end of year excursions which are approaching quickly.

Hope to see you all at the end of year festivities.

Mr Michael Taylor, Principal.

Our focus this week is to provide students with a clear understanding of expected Formal Assembly Behaviours.

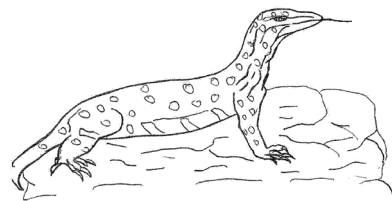

The learning intention for students is to learn the appropriate behaviours expected when they arrive, attend and depart formal assemblies.

Platty Winners

**Summer A 2C
Charli L-T 5/6R
Congratulations!**

Gala Ngamahl Yumbalair Jugan.

Library News

Book Club

The library is now closed for student borrowing. Please make sure all library books are found and returned as soon as possible.

Your co-operation would be much appreciated. There are a large number of books on loan.

This is wonderful because it means our students are enjoying reading but it is essential that they be returned to enable end of year administrative tasks to be carried out.

Book Club

Issue 8 closes Wednesday 27 November 2019. All orders need to be in by then. Ms. Genevieve Gibson.

Our value this
week is

CHALLENGE

- To **challenge** yourself is to push yourself that bit harder to achieve something important to you.
- By challenging yourself you're proving to yourself that you have the capacity and effort to overcome hurdles and you're learning that you have the ability to accomplish new things in life.
- **Challenges** are important parts of life that give you experiences; make you learn and help you to become wiser and stronger.

The best learning happens when we challenge ourselves.

Ms G. Speck
Instructional Leader
