Last week 3/4M celebrated NAIDOC week by doing different activities. Such as finger painting the Aboriginal flag, bracelet making, bookmarks and find a words. We had a lot of fun and loads of laughter. Mrs Roshelle Martin.

Dear parents, carers and community members,

Welcome to **week 6** after a wonderful week of NAIDOC activities and a very respectful Remembrance Day Assembly conducted by our Student Representative Council. We hope you enjoyed some of these events with us through our newsletter and Facebook page.

This week we conducted the **first excursion we have been able to have for 2020!** Our stage 2 students headed to Bald Rock in Tenterfield to build a deeper understanding of their learning about geological structures this term. Students were respectful, responsible and safe and their teachers said it was a pleasure to take them away, what a lovely group of students, what a great day for all!

Intensive swimming classes will finish on Wednesday 18 November. Thank you to all the teachers and support staff who made these lessons possible. **Year 3-6 swimming for sport will continue on Fridays.**

This week we are excited to have our **Year 5 students present their councillor speeches on Thursday** 19 November at 12:20pm. With our new COVID guidelines we are sending invitations to the parents/carers of these students to attend the event. Families received these invitations today. All visitors will need to present at the office to be seated by 12:15pm. Seating will be socially distanced and a COVID plan will be in place for the occasion. Our councillors will be announced at our Presentation Assembly on Thursday 10 December.

We are very pleased to announce that **Casino West Public School has been allocated a third support class for 2021.** This gives us 1 autism class and 2 multi-category classes and includes the appointment of an additional Assistant Principal position.

Next week students will be treated to an incursion which will be a **performance by the Meerkat Group** based on children's literature. This show will be for all students and will be in the library at 2:00pm on Thursday 26 November. The school will be covering the cost of this show for our students.

Student attendance is monitored every 5 weeks and it is wonderful to see how many students have excellent attendance and will be able to attend our water slide jumping castles at the end of the term as our Attendance Reward. Keep up the good work!

Please ensure your child **brings a drink bottle and a hat** to school to keep them cool and hydrated during this hot weather. All students are required to wear shoes at school as a matter of safety.

Starting Wednesday 18 November the canteen will be selling ice-blocks at lunch time. Children can bring some money to buy them or families can order them through the lunch order and students can pick them up from the canteen at lunchtime. Thank you to our canteen volunteers for the great job they are doing to keep our canteen running.

Have a great week!

Bald Rock Excursion

After an early start and long bus trip we arrived at Bald Rock to a Welcome to Country from Helen a Yukambal Elder. We then started our climb through the bush via the Bungoona track, which gently rises to where the rock face track and Bungoona track come to together. We did not have enough time to climb to the summit so we took in the wonderful vista and rested. It was then time to make the desent back to the bus and have lunch. A very enjoyable day was had although a tad warm and after the long bus trip we returned to school in time for the home bell. If we do it again we need to find another hour so we can finish the whole walk.

Thank you to the teachers and SLSO'S. Also thanks Felice and Mrs Patch. Mr Gary Hughes.

INTENSIVE SWIMMING

ROBOTICS

Our value this week is PRESENCE

- To be present when someone is speaking to you means giving them your full attention and listening carefully to what they are saying.
 - By being present for others you make them feel valued.
 - Being present is being aware of what is happening right now not thinking about yesterday or tomorrow – but thinking, noticing and attentively being in the moment now.

"Focus on opportunities not setbacks. Focus on what you can do, not what you can't. Focus on the present moment, not the past or the future. Empower yourself!"

"Today is the first day of the rest of your life."
