Queen's Birthday Public Holiday

Last week 2C (along with 1-2W, 1S and KR) enjoyed a trip into the past when they visited the Casino Historical Museum. Lots of interesting artefacts were seen and discussed. Everyone enjoyed making connections between old technology and the new technology we use today. Thank goodness we are no longer using a washboard to do the washing! Many thanks to Mrs Handford for organising such a wonderful and engaging learning experience for us all.

Dear parents, carers and community members,

Welcome to week 7 of the school term and some very welcome dry days! The drier weather has enabled us to start on some playground improvements which have been in the pipeline for quite some time. On the weekend work was started on a stage 3 eating area with large sandstone blocks being moved to create arena style seating near the hall. There will be a cement area with tables and shade added to this in the coming months. The sandstone blocks were moved from an area in the playground where we will be installing handball courts for the students to use at playtime. There will also be new football/soccer goals installed. Let's hope the sun stays out!

Last week Casino West students participated in the Zone Cross Country and a PSSA netball competition. Both events reported excellent respect and responsibility from our students, well done everyone! Our netball team were the victors on the day beating Kyogle 15 to 3 and will go on to the next round of the competition. Our Cross-Country competitors did their very best and performed well in a large competitive field. A special shout out to Laquarnah who came 11th in her competition.

On Wednesday June 8 at 9:20 am we are holding our 'Thank a First Responders Assembly' to show our gratitude for the amazing work our first responders do in our community. Their work had been particularly valued over the last months following the flood.

Our Primary Assembly was run by 5/6K last week and it was wonderful to see so many students commended for the effort they are putting into their learning. This week there will be an Infants Assembly on Friday 10 June at 1 pm. Please sign in through the front office and follow COVID protocols.

A big thank you to Jan Danaher who on behalf of the Casino Bingo Group continues to support our school with funding which is used for emergency lunches and classroom resources. We are extremely fortunate to have so many organisations support the students at Casino West Public School. Thank you to you all.

Please remember that students are not to be at school before 9 am unless they come on an early bus or you have arranged this with the school.

ALL VISITORS MUST enter through the office and sign in.

Have a great week!

Warm regards

Lesley Mills

World Environment Day is celebrated by millions of people around the world on 5 June each year.

The theme this year is **'Only One Earth'**.

Stage 2 students have recently completed projects on critically endangered Australian animals. They have learnt how the survival of these animals is dependant on the health of the environment and how well we look after it.

Our value this week is

HONOUR

- **Honour** means doing what you believe to be right and being confident that you have done what is right. It is the quality of knowing and doing what is morally right.
- To **honour** someone means to treat them or regard them with special attention and to show a high amount of respect.
- At Casino West we **honour** each other in every direction - teacher to teacher, teacher to student, student to teacher, teacher to parent, child to parent.

Honour, when done right is like a tree with many branches. A tree flourishing and bursting with life. May we always be people who honour one another?

Why attendance matters

When your child misses school they miss important opportunities to...

Learn

Make friends

Build skills through fun

education.nsw.gov.au

Surely 1 or 2 days absent a week doesn't seem much but this is how it is..

If your child misses...	That equals...	Which is...	And over 13 years of schooling that's...
1 day per fortnight	20 days per year	4 weeks per year	Nearly 1 ½ years
1 day per week	40 days per year	8 weeks per year	Over 2 ½ years
2 days per week	80 days per year	16 weeks per year	Over 5 years
3 days per week	120 days per year	24 weeks per year	Nearly 8 years

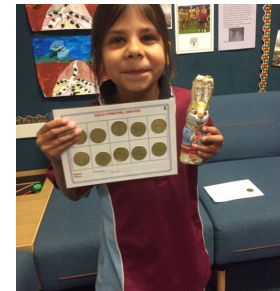

If your child is late 10 minutes a day - surely that won't matter or affect my child..

Only missing just..	That equals..	Which is...	Over 13 years of schooling that's...
10 minutes per day	50 minutes per week	Nearly 1 ½ weeks per year	Nearly ½ a year
20 minutes per day	1hour 40minutes per week	Over 2 ½ weeks per year	Nearly 1 year
30 minutes per day	Half a day per week	4 weeks per year	Nearly 1 ½ years
1 hour per day	1 day per week	8 weeks per year	Over 2 ½ years
