Casino High School staff & students visit to talk to Years 5/6

Friday 25 November

Infant's Assembly 1.30pm

In KR we are learning about celebrations as our last learning theme for this year. With Christmas quickly approaching, we are beginning to feel the festive spirit and decided to write letters to Santa to tell him all about our year. Firstly, we each wrote our letters and drew Santa a picture. Then we stuck stamps and stickers on our envelopes and carefully wrote Santa's address so they could be posted to the North Pole. We hope he writes back to us before the school holidays!

Dear parents, carers and community members,

Welcome to week 7, we hope you are enjoying the hot weather! Please ensure your child brings a hat and a drink bottle to school.

Transition to high school is well underway and students seem to be enjoying it very much. There is a Transition Day for ALL year 6 students at Casino High on Tuesday 29 November. Parents are invited to attend a parent information session on Monday 28 November at 5:30pm. There will be an information note coming home with year 6 students tomorrow.

After much lobbying from our P&C, Casino West Public School has been informed that we will be getting a new school fence around the perimeter as well as the installation of security cameras. This is great news for our school and will assist us in caring for our school grounds and buildings.

Student attendance will remain a focus for us for the rest of the year. Students are required to attend school every day unless unwell. Please contact the school and let us know if your child needs to miss school. Thank you.

Our Tell Them From Me survey has now closed. Thank you to all community members, teachers and students who participated. Today we drew the parent survey entry raffle and we are pleased to announce that the winner is Mandy B Congratulations!

Have a great week!

Warm regards

Lesley Mills
Principal

Congratulations Mandy! 'Tell them from Me' Survey entrant winner.

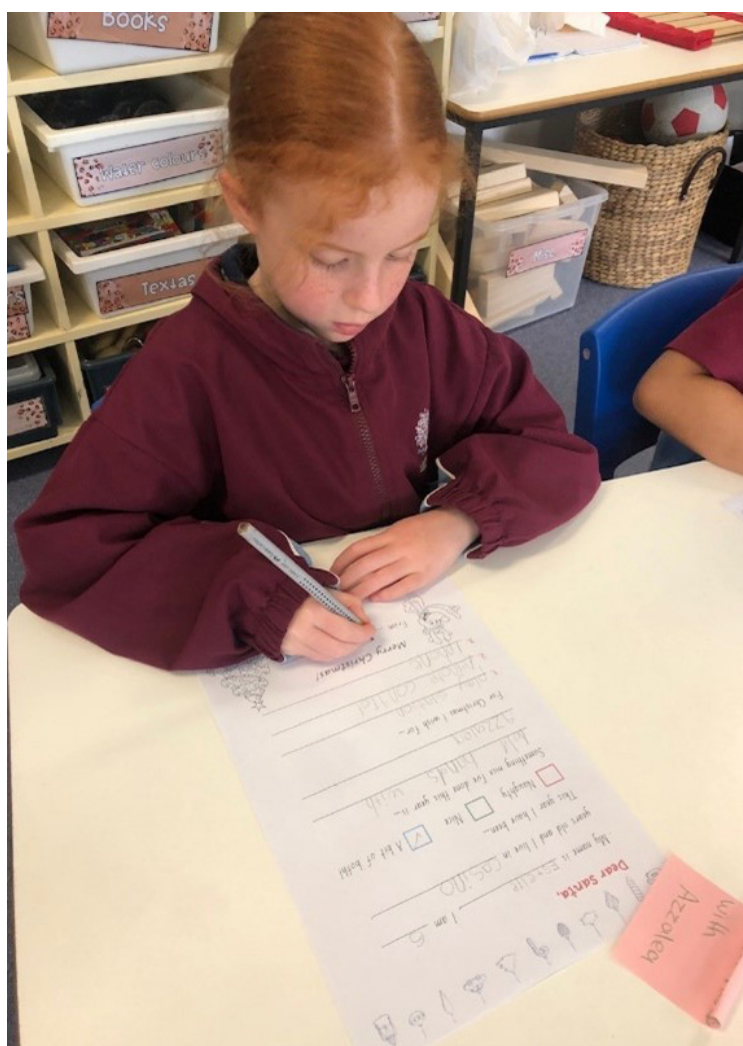

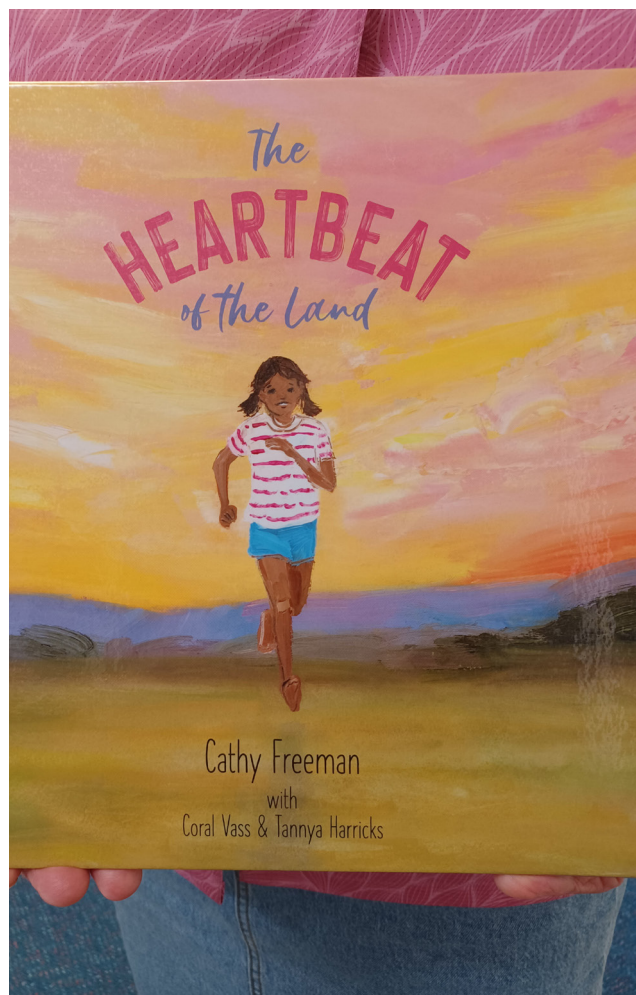

From the library desk BOOK CLUB

Issue 8 of Book Club has recently been sent home with students. Orders need to be returned to the school office by Wednesday 30 November.

It has been some time since we have had Book Club. This is a great chance to buy gifts for Christmas and for Summer holiday reading. We receive reward points for every purchase and these points are used to buy new books for the library.

Stage 2 have been learning about the Earth's environment and the meaning of 'sustainability'. In this context, they listened to and enjoyed a beautiful story written by Cathy Freeman, 'The Heartbeat of the Land'. Cathy Freeman has always been an inspiration to young people and she is doing it again through storytelling.

- To **challenge** yourself is to push yourself that bit harder to achieve something important to you.
- By **challenging** yourself you're proving to yourself that you have the capacity and effort to overcome hurdles and you're learning that you have the ability to accomplish new things in life.
- **Challenges** are important parts of life that give you experiences; make you learn and help you to become wiser and stronger.

The best learning happens when we challenge ourselves.

Surely 1 or 2 days absent a week doesn't seem much but this is how it is..

If your child misses...	That equals...	Which is...	And over 13 years of schooling that's...
1 day per fortnight	20 days per year	4 weeks per year	Nearly 1 ½ years
1 day per week	40 days per year	8 weeks per year	Over 2 ½ years
2 days per week	80 days per year	16 weeks per year	Over 5 years
3 days per week	120 days per year	24 weeks per year	Nearly 8 years

If your child is late 10 minutes a day - surely that won't matter or affect my child..

Only missing just..	That equals..	Which is...	Over 13 years of schooling that's...
10 minutes per day	50 minutes per week	Nearly 1 ½ weeks per year	Nearly ½ a year
20 minutes per day	1hour 40minutes per week	Over 2 ½ weeks per year	Nearly 1 year

THE FACTS ABOUT VAPING

Electronic cigarettes or e-cigarettes, often called 'vapes', are electronic devices designed to deliver vapourised liquids into the lungs. There are many different styles of vapes available and they can be difficult to spot.

The main ingredient in vapes is propylene glycol, vegetable glycerine or glycerol, and they often also contain nicotine, flavours and other chemicals. Vapes may contain harmful chemicals that aren't listed on the pack.

The biggest misunderstanding about vapes is that they are harmless compared to cigarettes. This is not true. **Vapes are not safe.**

DO YOU KNOW WHAT THEY'RE VAPING?

NICOTINE

Many vapes contain nicotine making them **very addictive**

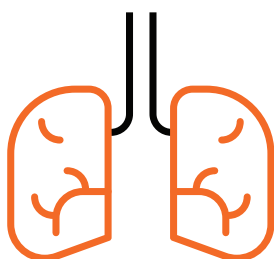

FRUITY

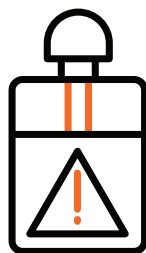

The nicotine in 1 vape can
= 50
cigarettes

Young people who vape are **3 times** more likely to take up smoking

Vaping has been linked to **serious lung disease**

Vapes can contain the same **harmful chemicals** found in cleaning products, nail polish remover, weed killer and bug spray

Vapes come in a variety of designs and styles and can be **easy to conceal**
