Science-understanding water as a force. We integrated our Literacy book with Technology and Visual Arts and created masterpieces. We also had fun doing drumming fitness which gets our brain working.

Dear parents, carers and community members

Welcome to week 6 of the term as we enter into the last weeks of the 2023 school year.

Teachers are busy completing end of year assessments, reports for students and organising excursions, swimming and fun activities.

Tomorrow there will be a bake stall with lots of yummy treats from 50c - \$2. The proceeds will be going towards assisting a family from our school whose child has suffered a terrible accident and is in a Gold Coast hospital. We hope everyone will support this bake sale.

Next week Stage 3 will head off to Brisbane for two days with an action packed experience planned for them.

On Thursday 23 November we will have another wonderful mini fete so save the date and come and enjoy all there is to offer. Please note that high school students who should be at school will not be able to attend.

A huge thank you to Louise and our amazing canteen volunteers who make sure our canteen is available to our families every day. Some days they are very overworked so if you can spare some time to assist it would be very appreciated.

Please check the school calendar for the wonderful events staff have organised for students which will be coming up in the next few weeks.

Have a great week!

Kind regards

Lesley Mills

World Kindness Day

'World Kindness Day' is celebrated around the world on November 13. **What exactly is 'kindness'?** It is the quality of being friendly, generous and considerate.

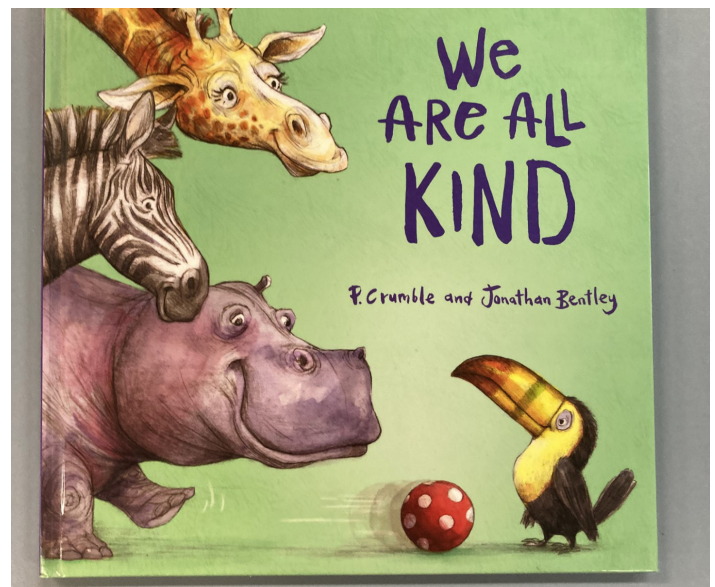

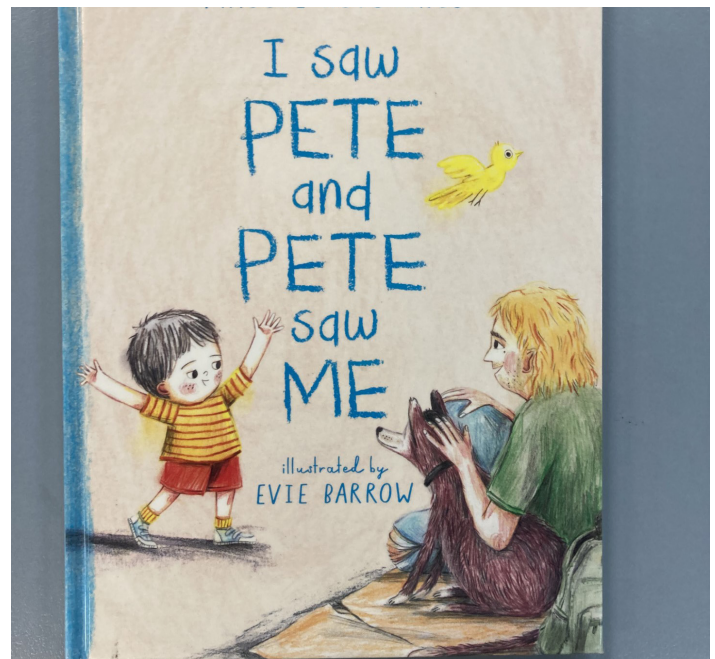

It is what we all hope to be and it is what we hope our students to be. Here are a few suggestions for how we can be especially kind to others this week:

- ***Hold the door open for someone.***
- ***Say "hello" to 5 people who aren't your friends.***
- ***Pick up rubbish without being asked.***
- ***Offer to help carry someone's books.***
- ***Talk to someone who is lonely.***
- ***Be helpful in class and helpful at home.***
- ***Be nice to your teacher by showing respect and doing your work.***

The library has many stories that have kindness as the main theme. We also have stories that place characters in situations where they show kindness towards others, often in difficult situations.

Here are some examples:

- *'Kindness Makes us Strong', by Sophie Beer*
- *'Crumbs', by Phil Cummings*
- *'We are all Kind', by P. Crumble*
- *'I Saw Pete and Pete Saw Me', by Evie Barrow*
- *'Amira's Suitcase', by Vikki Conley*

Different teacher, same respect

- Lameaha B in 3/4S

Congratulations!

Each week students are drawn from the special golden box. Students then pick a prize from Mrs Mills' special prize box.

Our value this week is CHALLENGE

- To **challenge** yourself is to push yourself that bit harder to achieve something important to you.
- By **challenging** yourself you're proving to yourself that you have the capacity and effort to overcome hurdles and you're learning that you have the ability to accomplish new things in life.
- **Challenges** are important parts of life that give you experiences; make you learn and help you to become wiser and stronger.

The best learning happens when we challenge ourselves.
