Dear parents, carers and community members

Welcome to week 7 after a very successful Book Week Fair and Book Week Parade. Thank you to all involved in making the week so successful for our school. It was wonderful to see so many students (particularly our senior students) in their Book Week costumes. Families made sure our Book Fair was very well supported, school staff supported the Parade and our SRC created a wonderful food stall for the day. Well done to all!

Our Primary and Infant's assembly were well attended and it is very pleasing to see so many students receiving awards recognising their positive learning effort.

This week our Support classes will head off on their History excursion on Wednesday and our Year 3/4 and 5/6 dance groups will be entering the Lismore Eisteddfod on Friday at Casino Civic Centre (contact the school for ticket information). A number of students will be heading to the Zone Athletics in Lismore on Friday and we wish them all the best in their events.

On Wednesday there will be a Father's Day Picnic. Fathers, Uncles, Pops and other family members are invited to bring a picnic lunch to share with your children at school. Family members can arrive at 11:00am and join us in a cup of coffee or tea with cake before collecting their children for a picnic lunch. The students thought this would be a lovely idea as they enjoyed the Mother's Day Picnic so much.

Our concert practises are continuing as we count down to our School Concert on Thursday 14 September. PLEASE GET YOUR TICKETS FOR THE MATINEE OR NIGHT PERFORMANCE FROM THE SCHOOL OFFICE.

Congratulations to all students who reached SILVER level, you are well on your way to GOLD for Term 3! Student names will be printed next week.

Have a great week!

Our value this week is

PRESENCE

- To be present when someone is speaking to you means giving them your full attention and listening carefully to what they are saying.
 - By being present for others you make them feel valued.
- Being present is being aware of what is happening right now – not thinking about yesterday or tomorrow – but thinking, noticing and attentively being in the moment now.

“Focus on opportunities not setbacks. Focus on what you can do, not what you can’t. Focus on the present moment, not the past or the future. Empower yourself!”

“Today is the first day of the rest of your life.”
